UNSTARRED QUESTION NO:737
ANSWERED ON:26.02.2001
INDUSTRIES UNDER POLLUTION CONTROL
MOHAMMED SHAHABUDDIN

Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

he details of the industries falling under F, F-27 and F-42 categories of pollution control in the country?

Answer

MINISTER FOR ENVIRONMENT AND FORESTS[SHRI T.R. BAALU]

No such categorization of industries has been done for the country. However, following 17 categories of highly polluting industries have been identified which are closely monitored by the Central Pollution Control Board and the State Pollution Control Boards for control of pollution from these industries: -

1. Aluminium
2. Cement
3. Distillery
4. Fertilizer
5. Leather
6. Petrochemicals
7. Pulp & Paper
8. Sugar
9. Zinc
10. Caustic
11. Copper
12. Dyes & Dye Intermediates
13. Iron & Steel
14. Pesticides
15. Pharmaceuticals
16. Refinery
17. Thermal Power Plant
